

YOUTH VISIONARY LAB

ARE YOU READY TO LEAD CHANGE IN YOUR COMMUNITY?

Global Girls Glow is launching a brand-new 10-month U.S. program designed for high school girls who want to make a difference—individually or as a team. Whether you're passionate about an issue in your school, neighborhood, or across the country, this program will help you turn that passion into a real, funded project.

With up to \$5,000 in funding, expert mentorship, hands-on training, and expert consultants, you'll learn how to advocate for what matters to you and lead a project that sparks change.

What You'll Gain

- Build leadership and public speaking skills as you pitch ideas, make decisions, and lead a community project.
- Manage a real budget of up to \$5,000 and gain hands-on financial experience
- Get step-by-step training, personal mentorship, and learn how to launch a project that drives real impact.
